

# Eastbound I-69 BL (Saginaw Street) and Westbound I-69 BL (Grand River Avenue) School Speed Zone, Ingham County

Summer 2023

## What Is Being Done?

The Michigan Department of Transportation (MDOT) is implementing a new school speed zone on eastbound I-69 Business Loop (BL) (Saginaw Street) and westbound I-69 BL (Grand River Avenue) near Pattengill Elementary School, Eastern High School, and Lansing Catholic High School.

The school speed zone, which sets a speed limit of 25 mph during the times indicated on the signs, was established according to Section 627a of the Michigan Vehicle Code. This law allows for a lower speed limit during periods of school activity before school starts and after school ends.

## How Will Traffic Be Affected?

The school speed zone will be implemented at the beginning of the 2023-2024 school year.

## Safety Benefit

The school speed zone provides lower speed limits for times when school children are present.
