

School Annual Education Report (AER) Cover Letter

Lyons Elementary School

August 14, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Lyons Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Terry Baker, Principal, at 517-755-1480, for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.edline.net/pages/Lyons_School, or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been given one of these labels.

The data in the AER indicates Lyons Elementary School is facing challenges unique to the Lansing School District. These challenges to academic achievement include high rates of student mobility and attendance issues. The Lyons School Improvement Plan focuses on increasing student achievement in all areas with a focus on Math and Reading. The plan also includes strategies to improve student attendance.

State law requires that we also report additional information:

1. Students that attend Lyons Elementary School are students in our attendance area as designated by the Lansing School District. Families may also choose Lyons Elementary School as their child's home school by simply following the "Schools of Choice" process managed through the Lansing School District Pupil Accounting Office.

2. Lyons Elementary School continues to focus on four primary goals in its School Improvement Plan. These goals include increasing student proficiency in reading, writing, science, and math. School improvement at Lyons is an ongoing and dynamic process involving staff development and teachers using best practices in all subject areas. Lyons Elementary School continues to make progress in meeting each of its goals.
3. A copy of the core curriculum, in addition to the Common Core State Standards (CCSS), can be accessed through the Lansing School District web page at www.lansingschools.net, or the Lyons Elementary School web page at www.edline.net/pages/Lyons_School. The core curriculum and content standards are implemented with fidelity by the teaching staff at Lyons Elementary School through the use of best practices for teaching and learning.
4. The Lansing School District does not administer any local competency tests or nationally-normed achievement tests.
5. Lyons Elementary School continues to strive for 100% parent participation at its fall and spring parent-teacher conferences. The fall parent-teacher conference attendance rate was and the spring conference attendance rate was 287 (92.3%) in the fall of 2012, and 287 (91.1%) in the fall of 2013.

Lyons Elementary School continues to strive for excellence in every facet of its educational program. Through the continued efforts of its teaching staff, support staff, parents and community members, Lyons will live out its mission of "Excellence for all students".

Sincerely,
Terry Baker,
Principal, Lyons Elementary School
