

August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for the Wexford Montessori Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact the principal, Dr. Nancy Lubeski, for assistance.

The AER is available for you to review electronically by visiting the following web site: [http://wexford.lansingschools.net/pages/Wexford\\_Montessori\\_Magnet](http://wexford.lansingschools.net/pages/Wexford_Montessori_Magnet). You may also review a copy in the main office at Wexford.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a Focus School.

Wexford Montessori Academy represents students from a variety of ethnicities as well as a range of socio-economic levels. We are currently working to accelerate student achievement and close persistent gaps between groups. Our School Improvement Team and staff members have been examining data very closely to maximize achievement for all students. Our school improvement goals focus on improving mathematical, reading and writing competencies. We are also working to improve attendance and create a more positive school culture.

State law requires that we also report additional information.

Wexford Montessori Academy is currently a theme-based school of choice, which means that no children are "assigned" to attend. Parents must fill out an application through the district pupil enrollment office to indicate interest and children are accepted based on "fit" with the program. While we prefer to have children begin at the pre-Kindergarten level and work their way through the program, many students have been successful starting at later grades.

Throughout the year, parents, teachers, and other staff members work together with the principal to revise our School Improvement Plan. We have been building school culture while improving student achievement in all academic areas. Specific goals address increasing reading comprehension, writing skills and mathematical abilities for all learners. Our 2014/2015 School Improvement Plan has been

submitted and is awaiting approval. Once approved, it will be posted on our school website ([http://wexford.lansingschools.net/pages/Wexford\\_Montessori\\_Magnet](http://wexford.lansingschools.net/pages/Wexford_Montessori_Magnet)) and available for your review in Wexford's main office.

Wexford Montessori Academy is one of the theme-based academies in the Lansing School District. It is the only pre-Kindergarten through 8<sup>th</sup> grade school that is a Montessori school. Our teachers are highly qualified and Montessori certified. Enrollment has been steadily increasing at Wexford. We are at full capacity with over 400 students in attendance. We have been successful in attracting families from the greater Lansing area as well as neighboring districts.

Although Wexford does the follow the philosophies and materials of Dr. Maria Montessori, the instructional program focuses on the state curriculum and benchmarks. We have transitioned to the Common Core State Standards ([http://www.michigan.gov/mde/0,4615,7-140-28753\\_64839\\_64848---,00.html](http://www.michigan.gov/mde/0,4615,7-140-28753_64839_64848---,00.html)).

Our students are frequently assessed using classroom-based assessments as well as more standardized district and state assessments. These include the MEAP, AIMSWeb,, WIDA and other norm-referenced assessments based on specific grade levels and age. The results of these tests provide valuable information so that we can continue to improve student instruction in purposeful ways. It is through these standardized assessments, formal/informal observations and collaboration with community organizations/ partners that we continue to strive to increase student achievement.

Last year, 364 parents (94.8%) attended fall 2012 parent teacher conferences. This year, 363 (95.8%) parents attended fall 2013 parent teacher conferences. This would not have been possible without the dedication of parents and teachers who scheduled make-up conferences before and after school to make sure that this important meeting was held, and the support of the principal and office staff who relieved teachers when necessary so that conferences could be held during the school day. We have a strong commitment to ensuring effective parent-teacher communication for the success of each student at Wexford, and expect this strong trend to continue.

All members of the Wexford Montessori Academy staff feel privileged and honored that you have chosen Wexford as the school for your child. We look forward to working together to continue to provide the best education possible in a safe and nurturing environment.

Sincerely,

Dr. Nancy Lubeski, Principal
