

# Eastern High School

Eastern High School has been an authorized Diploma Programme school since 2006. Our students have the unique opportunity to participate both in the Middle Years Programme (MYP) and Diploma Programme (DP). All students in grades 7th – 10th are a part of MYP which is in the final stages of authorization. 11th and 12th grade students can choose one or all of the rigorous DP courses offered.

Grades: 7-12

# What is International Baccalaureate?

The International Baccalaureate Middle Years Programme (IB MYP) is designed for middle and early high school students in preparation for the Diploma Programme (IB DP). This reflects the mission of IB and Eastern. Eastern Quakers demonstrate our motto through our actions in relation to the IB Learner Profile. The focus of international-mindedness encourages personal growth with a balanced approach to academics, community involvement and extra-curricular activities. The same IB concepts are used at schools in 130 countries and challenge students to think globally and ponder how they and others interact with and affect the world around them.

## What Makes Eastern Special?

Our motto at Eastern is – Quakers are kind, Quakers work hard, and Quakers belong! This is the focus of the IB programmes through the mission of IB and Eastern demonstrated by our action as learners through the IB Learner Profile. In addition, we have new technology at Eastern to boost our learning with Kindles, Chrome books, laptop computer carts, and iPads. As learners we strive to be:

- Inquirers
- Communicators
- Knowledgeable
- Caring
- Balanced
- Thinkers
- Courageous
- Principled
- Open-minded
- Reflective

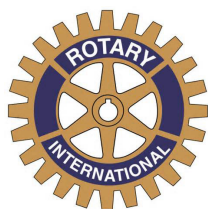

## Eastern Connects with the Community!

**MICHIGAN STATE**  
UNIVERSITY

Eastern partners with many programs through Michigan State University including:

- Confucius Institute
- Educational Talent Search
- GEAR UP
- Upward Bound
