1. LEAVES OF ABSENCE

Leaves of absence without pay may be granted to employees for a period not to exceed one (1) year, or a period equivalent to the employee's length of service to the District in a regular position, whichever is shorter. A written request to the Human Resources Department is required. Several types of leave are available.

For all health-related leaves of absence (including FMLA and maternity), the employee must provide appropriate medical documentation prior to returning to work. The employee must provide a physician's certification that s/he is physically sound and able to perform all essential duties of his/her position. Any restrictions or accommodations must be reviewed and approved by the Human Resources Department before the employee may return to work. The Board may choose at its option and expense to have the employee examined by the Board's physician prior to the employee's return to work.

- A. Health Leaves - If an employee is not eligible for FMLA leave and/or has exhausted the FMLA leave benefit, is unable to work due to illness or injury, and has exhausted his/her compensable sick leave bank, the employee may request an unpaid health leave of absence. Such leaves will be granted for periods not to exceed one year in combination with any FMLA leave. One additional year may be granted at the discretion of the District. For leaves of longer than six months, the District will not be required to maintain a vacant position for the employee on leave of absence. However, upon return from health leave of more than six months, the District will offer the employee the next comparable vacancy for which the employee is qualified.
- B. Maternity Leave - If an employee desires a maternity leave of absence, she must file a written request with the Human Resources Department at least thirty (30) days prior to the anticipated date of such leave. Maternity leaves shall be for the duration of the pregnancy and extended no longer than through the post-natal examination period (usually six (6) weeks after the conclusion of the pregnancy).

Adoptive leave - upon first notification of acceptance as an adoptive parent by the adoption agency, the employee desiring leave shall apply to the Human Resources Department for an adoptive leave which shall commence when the employee assumes custody of the child.

Parental leave - such leave must be requested in writing prior to the birth of the child.

- C. Family and Medical Leave - Eligible employees may take leaves of absence pursuant to the Family & Medical Leave Act of 1993 (FMLA). The FMLA and the associated regulations allow eligible employees to take unpaid leaves for certain health and family related reasons for up to twelve (12) work weeks without loss of employer-paid health benefits. Eligible employees taking FMLA leave will be allowed to use accumulated sick leave and vacation leave during the FMLA leave period. Upon return from the FMLA leave, the employee will be restored to a comparable position, in accordance with the Act. Additional information regarding FMLA leaves is available from the Human Resources Department.

- D. Military Service Leave - Leave of absence for an employee during the period of military service with the Armed Forces of the United States and of reinstatement thereafter, shall be governed by applicable statutes and decisions of the courts. Application for military service leave shall be made to the Director of Human Resources.
- E. General Leave-After one year of service, leaves of absence without pay may be granted for a period not to exceed one (1) year to employees upon written request to the Human Resources Department for:

Leaves other than those stated above may be approved by the Director of Human Resources.

F. Leaves for Other Purposes

- (1) Jury Duty - An employee who serves on Jury Duty will be paid the difference between the pay for that duty and the employee's regular pay, provided proof of service and pay is submitted. Jury service will not be charged to sick leave or vacation time.
- (2) Court Appearance - A leave of absence with full pay not chargeable against the employee's sick leave shall be granted for court appearance when subpoenaed as a witness in any case connected with the employee's employment or the school, provided the employee pays to the school district any sums received as subpoena fees.

- G. Return from Leave of Absence - An employee returning from a leave of absence must notify the Human Resources office at least one (1) month before the expiration of the leave of the anticipated date of return in order to permit planning, scheduling and placement. The District may accept notice of less than one (1) month when it finds the circumstances of the individual case cannot reasonably allow fulfillment of the one (1) month notice requirement. Failure to provide such notice shall be considered as a voluntary quit. When reinstated, the employee will return to the same salary step as that held at the time the unpaid leave of absence commenced. Unpaid leaves of absence shall be excluded from the employee's accumulated service time.

2. ABSENCE FROM WORK

- A. Compensable Leave – Employees shall be granted one (1) compensable leave day* per month worked, with full pay, not to exceed twelve (12) days per year.

Unused portions of each year's leave shall be allowed to accumulate up to but not exceeding 60 days.

Employees transferring in to the Meet & Confer Unit may transfer no more than 60 days of accumulated compensable leave time from their previous position to be capped at 60 days.

Compensable leave with full pay may be taken for:

- (1) personal illness or injury;
- (2) illness or serious injury to members of the immediate family**
- (3) death in the immediate family (limit five (5) days);
- (4) to attend the funeral of a close friend or relative (limit one (1) day per occurrence);
- (5) when exposure to contagious disease might create a health hazard for students or other employees; and/or
- (6) when unforeseen emergencies*** arise calling for the immediate presence of the employee.

*A compensable leave day shall be defined as the number of hours in the employee's regular work day if the employee works a five (5) day work week. In other cases, a compensable leave day shall be defined as 1/10 of the total hours regularly worked in a two (2) week period. In order to be eligible to receive a compensable leave day for the month, the employee must work at least one (1) full day between the first and the fifteenth of the month.

**Immediate family shall include the employee's spouse, children, parents, foster parents, parents-in-law, brothers, sisters, and any other person for whom they are financially or physically responsible.

***An emergency is an unforeseen incident over which the individual has no control and requires immediate attention. The individual should make, and has made, every effort in his/her power to resolve the situation without taking time off from work. Each case will be decided on its own merits.

B. Personal Leave - Five (5) personal leave days with pay shall be granted annually to each full-time employee.

- (1) Personal leave may be taken in increments of one (1) hour;
- (2) Personal leave shall not be used for the day before or the day after a holiday, holiday-related day, or vacation day;
- (3) In the event an employee does not use some or all of his/her personal leave, the unused portion shall be transferred to the employee's regular compensable leave balance. Personal leave shall not accumulate from year to year.

An employee shall provide a minimum of three (3) days' advance notice of intent to use personal leave to his/her supervisor in non-emergency situations.

Personal Leave requests must be approved by the employee's supervisor.

C. Inclement Weather Policy

On days when schools must be closed because of inclement weather, Meet and Confer employees are expected to report to work at the regular scheduled time unless instructed otherwise by the Superintendent or designee.

If an employee is unable to report to work at their regular scheduled time, the employee will call their immediate supervisor and advise estimated time of arrival. If the employee arrives within two hours of employee's regular scheduled time, the time will not be deducted from the employee. If the employee is more than two hours late, the entire absence will be submitted appropriately by using Inclement Weather Compensation, sick leave, personal leave and/or vacation if available to the employee.

The district will pay for two (2) days of Inclement Weather Compensation, each year, to be used by Meet and Confer employees when schools are closed due to inclement weather, if the employee's absence does not pose a threat to the operation of the Lansing School District and with the approval of their immediate supervisor.

If and when the two days of Inclement Weather Compensation have been exhausted, employees may use sick leave, personal leave and/or vacation time, if the employee chooses not to come in on a snow day, but only if the employee's absence does not pose a threat to the operation of the Lansing School District and must be cleared through the immediate supervisor.

If an employee is unable to use one or more of the Inclement Weather Compensation days, due to their required presence at work and the threat their absence would cause the operation of the Lansing School District, any remaining Inclement Weather Compensation will roll over to Personal Leave which must be used by the end of the school year.

If the Superintendent determines that "no" employee is to report to work, Meet and Confer employees will not submit an absence for that day.

3. WORKER'S COMPENSATION (On-the-job-injury)

Please see Lansing School District Employee Handbook for worker's compensation procedures and/or contact Human Resources prior to seeking medical treatment.

If an employee becomes disabled from work as a result of a compensable accidental injury(ies) while on the job, the Employer will augment the payment the employee receives through Worker's Compensation, as follows:

If an employee is injured while on duty, resulting in loss of time, the employee shall be paid the full day's pay at the regular rate for the day on which the injury occurred. The employee shall receive from the Board the difference between the Worker's Compensation payment prescribed by law and the regular salary for the first seven (7) days following the date of injury.

Beyond the seventh day the employee shall receive from the Employer the difference between the Worker's Compensation payment prescribed by law and the regular weekly income to the extent and until such time as such employee shall have exhausted any accumulated sick leave. Sick leave shall be charged on a pro-rata basis computed on the relationship of the differential pay to the regular weekly pay until the sick leave is exhausted.

3. In consideration of the above, the parties mutually agree that the District will provide an honorarium to all M&C staff currently employed in the District in two individual payments of \$750 each for a total of \$1500. The individual honorarium payments will occur on:

Employed through 04/08/2022
Check date 04/29/2022

For those staff employees, the annual amount shall be prorated based on date of hire. Those individuals that are employed in the District during the 2021-22 school year as less than a full time employee (1.0 FTE) within M&C shall receive a pro-rated honorarium reflective of their employment.
