s/he will not be under the influence of or use any intoxicant.

4. Weekend "on-call" duty assignments will be made by the District. School Safety Officers do not have the exclusive right to perform these assignments. Interested, eligible School Safety Officers will be assigned to weekend "on-call" duty on a rotating basis to allow relatively equal distribution of the work to interested employees.
5. The District may remove any School Safety Officer from the weekend "on-call" duty rotation if his/her performance is unsatisfactory.
6. The District will establish and publish written procedures for weekend "on-call" duty, which will be followed by all officers performing the assignment.
7. School Safety Officers will be compensated for weekend "on-call" duty on a stipend basis for up to five hours of work on each day. The negotiated stipend is five hours at one and one-half times the officer's regular hourly rate. All hours in excess of five hours worked each day will be compensated at one and one-half times the officer's regular hourly rate for all additional hours worked. If a School Safety Officer is assigned to work "on-call" for a holiday, s/he will be eligible for a stipend based upon five hours at the contractually established rate for work performed on holidays in addition to holiday pay.
8. The District will make available a District vehicle to perform weekend "on-call" duty assignments. Officers may choose to drive their personal vehicles for weekend calls instead of the District vehicle. The officer should advise the Public Safety Office before the end of business on Friday of his/her choice. Officers who drive their personal vehicles to respond to weekend "on-call" duty calls will be eligible to submit and be paid the appropriate mileage rate for all miles driven.

**D. SUMMER WORK:**

All employees selected to perform summer work will be chosen based upon seniority.

**Article 21 Compensatory Time**

- A. When the Employer determines that it is necessary to schedule a school safety officer to cover an athletic or other special event that occurs at a time different than the employee's regularly scheduled work hours, this assignment may be scheduled in one of the following ways:

1. The employer shall solicit volunteers under the equalization provisions of Article 19.
  2. If, after asking for volunteers, there are still not enough officers to adequately cover the manpower needs, the Employer may assign the least senior officer to perform the work. If there are still coverage needs, the Employer may assign the second least senior officer to work, and so on, until the manpower requirements are met.
  3. No officer shall be assigned a second time until the entire seniority roster has been exhausted.
- B. All overtime worked for which comp time is to be credited shall be recorded by the employee on his/her daily activity log.
- C. An employee may be assigned overtime hours and upon mutual agreement between the employee and employer may be paid in compensatory ("comp") time to cover an athletic or other special event. When an employee has been assigned overtime in this matter, he/she shall earn one and one-half hours off for every hour of overtime he/she worked.

Annually, bargaining unit members shall be limited to the number of comp time days/hours they may earn for overtime work in connection with coverage of athletic and other special events. Compensatory time shall be used at mutually agreeable time and shall not carry over from year to year. It is the intent of the employer that any compensatory time not used by the end of the school year shall be paid to the employee in their first paycheck after the school year has ended. Use of compensatory time must have prior approval of the Director or Public Safety; such requests will not be unreasonably denied. Bargaining unit employees scheduled to work 38 weeks per year may accumulate up to 50 hours of compensatory time during the course of the school year. To earn this time off, 38 week employees must work 26.6 scheduled overtime hours. Bargaining unit employees scheduled to work 52 weeks per year may accumulate up to 70 hours of compensatory time during the course of the fiscal year. To earn this time off, 52 week employees must work 40 scheduled overtime hours. No comp time may be accrued, however, unless the central office has approved such accrual in advance. Additionally, all overtime worked for which comp time is to be credited shall be recorded by the employee on his/her daily activity log.

Employees wishing to use comp time days off are encouraged to arrange for scheduling time off well in advance. Arrangements for scheduling comp time days are to be made between the employee and the Director of Public Safety. All requests must be made a minimum of five (5) days in advance of taking the time off. The central office shall contact the affected building administrator to confirm the feasibility of the comp time request, and report back to the employee within one (1) working day of receipt of the request. Employees must take comp

time days off when students are not in session or on days when school activities are minimal. The employer will allow employees to take accumulated comp time, personal time or vacation respectively during non-instructional days (i.e. spring break, winter break, non-recognized holidays or inclement weather days.), except for mandatory training days as designated by the Director of Public Safety. If instruction is canceled due to inclement weather, school safety officers may use banked comp time with approval of the immediate supervisor or Director of Public Safety.

The use of substitute officers to cover absences of employees due to compensation time usage is permitted. However, it is the intent to use substitutes for straight time assignments and not overtime assignments.

Employees must accumulate sufficient overtime hours in advance of taking a comp time day off. Comp time days may be taken only in half-day or full-day increments. Employees shall not be permitted to schedule comp time days in conjunction with vacation periods or immediately before and after a paid holiday when school is in session for students. Comp time shall not be used immediately before or after personal leave or sick leave. Fifty-two week a year employees shall be required to schedule at least 2.5 of their accumulated comp time days after the close of school for students in June.

These provisions shall not be interpreted as precluding the Director of Public Safety from considering requests to use comp time which have been made with less than five (5) days advance notice and/or for periods of less than a half day.

Employees are expected to schedule the use of all accumulated comp time during the school year in which it was earned unless extreme circumstances intervened. For 38 week a year employees, 8 hours accumulated comp time may be carried over to the next school year. For 52-week-a-year employees, 16 hours of accumulated comp time may be carried over to the next school year. If the Director of Public Safety concurs that extreme circumstances prevented an employee from scheduling the use of their accumulated comp time days prior to the above referenced dates, employees may elect to receive a lump sum payout at their regular hourly rate of pay for the accumulated comp time hours or convert the hours into accumulated sick leave. In the absence of extreme circumstances, the Employer may direct the employee to schedule and use their accumulated comp time prior to the employee's last scheduled work day as referenced above.

## **Article 22 Computation of Back Wages**

- A. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned in normal working hours.

If emergency situations occur, they will be referred to the Office of Human Resources for consideration.

## **Article 25 Leaves of Absence**

- b. Any maternity leave of absence shall be for the duration of the pregnancy and extended no longer than through the post-natal examination period usually 6 weeks after termination of the pregnancy, or until the employee's physician provides written medical verification to the Office of Human Resources that the employee is physically sound and able to return to work.
- 5. Leaves of absence without pay may be granted for other reasons deemed appropriate.
- 6. Family and Medical Leave Act of 1993

Pursuant to the provisions of the Family and Medical Leave Act, eligible employees shall be granted unpaid leave for the purposes and to the extent required by law, subject to all the terms and conditions of the law and its implementing regulations. Any paid or unpaid leave which is otherwise available under the provisions of this agreement, for the same purposes for which leave is required to be provided under the Family and Medical Leave Act, shall be used concurrently with the leave provided under the Family and Medical Leave Act and shall be credited toward fulfilling the leave entitlement of the eligible employee, to the extent permitted by the law and its implementing regulations.

If an employee takes advantage of the benefits of the law, he/she may use his/her accumulated compensable leave, accumulated and accrued vacation leave and/or accumulated personal leave during the family and medical leave. Similarly, the Board may require the employee to use his/her accumulated compensable leave bank in excess of thirty (30) working days during the family and medical leave.

If an eligible employee fails to return from an unpaid leave, during which the employee received a continuation of paid benefits under the Family and Medical Leave Act, the amount paid for continuation of these benefits shall be repaid to the employer, so long as the law and regulations allow the employer to require such repayment. Repayment shall be made within thirty (30) days after a demand for payment or according to a repayment plan agreed upon between the employee and the employer. Any amount, or portion thereof, which is owing for repayment shall be deducted from any wage or other payments owing to the employee. Any remaining deficiency owing for repayment shall be collectible by initiating legal action against the employee for repayment, if not remitted within thirty (30) days after the demand for repayment is made upon the employee or as otherwise previously agreed in a repayment plan.

## 7. General Provisions

The Employer may request a physician's statement from the employee prior to the time the employee returns from a leave of absence. The Employer may choose at its option and expense to have the employee examined by the Employer's physician prior to the employee's return to work. Except for employees on a maternity leave of absence, employees on a leave of absence shall notify the Office of Human Resources of their intent to return to work thirty (30) days prior to the expiration of their leave. Employees desiring extensions of approved leaves of absence, shall submit written extension requests no later than 30 days prior to the expiration of the approved leave. Failure to do so shall be considered as a voluntary quit.

When reinstated, the employee shall return to the same salary step as that held at the time of leaving. Employees shall not accrue seniority while on leave of absence.

### B. Leaves With Pay

Members of the Union who are elected to attend a function of the International Union, such as conventions or educational conferences, shall be allowed time off without loss of time or pay to attend such conferences and/or conventions. Total combined time shall not exceed five (5) days per year for the entire Union membership.

## Article 26 Compensable Leave

### A. Sick Leave

All employees covered by this Agreement shall be granted one (1) sick leave day per month, with a maximum accumulation of (sixty 60) days. An employee while on sick leave will be deemed to be on continued employment for the purpose of computing all benefits referred to in this Agreement and will be construed as days worked.

3. Death in the immediate family (limit five (5) days).

Any employee absent due to illness shall notify the Public Safety Central Administration Office at least one-half hour before his/her scheduled shift. Any employee who maintains a record of questionable illness may be required to be examined by the Employer's physician.

A medical verification of illness is an excuse for an absence that is signed by a physician or other appropriate documentation verifying time away from work, including care provider in accordance with the FMLA laws (if applicable).

Verification may be requested upon return to work when an employee is absent for illness or there are patterned absences, an employee reaches a zero balance in his/her paid time bank (excluding workers comp & Article 36), excessive absences, questionable absences, etc.

Occurrences are defined as contiguous work days off work. Unverified absences/occurrences are absences where a physician's excuse or appropriate documentation, as described above, has not been provided upon return to work. In such cases, employees may be subject to progressive disciplinary action up to including discharge as indicated below (over a 10-month period).

6	Unverified Absences/Occurrences	=	Verbal Reprimand
7	Unverified Absences/Occurrences	=	Written Reprimand
8	Unverified Absences/Occurrences	=	3-day Suspension
9	Unverified Absences/Occurrences	=	Possible Termination

When an occurrence takes place and any level of discipline has been previously given, the employee will progress to the next level of reprimand up to possible discharge within a 10-month period. In cases of extended illness, an employee may request a leave of absence for illness in accordance with Article 30.

Absence tracking will be for a school year only and the count will be reset each year.

**B. Leave Days with Pay**

Two (2) leave days per year shall be granted annually to each employee working a full year (defined as 38 weeks or more). Employees hired after the beginning of a fiscal year shall be credited with two (2) leave days with pay, or a fraction thereof, as follows:

Leave days with pay, or fraction thereof, credited to each employee shall be utilized and charged to the employee for a minimum of two (2) full hours for each chargeable event. Time used beyond two (2) hours shall be charged as actually used, rounded to the nearest quarter hour. In cases of emergency, the District may allow use of leave days with pay for time periods of less than two (2) full hours, rounded to the nearest quarter hour.

In the event that an employee does not use a portion of the leave day with pay, that unused portion shall be transferred to his/her regular cumulative sick leave balance. Leave days with pay shall not be cumulative from year to year.

\* A sick leave day shall be defined as the number of hours in the employee's regular work day. When an employee works a non-traditional schedule, leave days shall accrue as one-tenth of the hours in the employee's regular bi-weekly pay period.

\*\* Immediate family shall include the employee's spouse, children, parents, foster parents, parents-in-law, brothers, sisters and any other person for whom the employee is financially or physically responsible.

\*\*\* An emergency is an unforeseen incident over which the individual has no control and requires immediate attention. The individual should and has made every effort in their power to resolve the situation without taking time off from work. Each case will be decided on its own merits.

C. Dock Time

An employee may not refuse ("take dock time"), except as otherwise allowed in this Agreement, if the employee has paid time available from an appropriate source, such as sick, vacation or personal time.

Employees on medical leave of absence of one month or longer may, at their option, reserve any portion of their remaining sick bank, not to exceed forty (40) hours.

D. Attendance Incentive Bonus

The parties mutually agree to implementation of an "Attendance Incentive Bonus" for each year. Those employees who are absent from work for six (6) days or less shall receive a 50% off-schedule stipend based on their contract base salary/wage schedule rate of pay (meaning all officer's current step on the salary/wage schedule), not subject to MPSEER's, payable on the first pay period in July of each year of the contract.

For the purpose of the Attendance Incentive Bonus, employees shall not be penalized for absences as a result of the following:

Approved FMLA Leave time;

Work-related training;

Administrative Leave as required and approved by the district, excluding disciplinary action. Those who are placed on Administrative Leave as a result of a disciplinary investigation which does not result in any reason for disciplinary action would be eligible for the Attendance Incentive.

The Attendance Incentive will be an off schedule bonus.

If an employee exhausts their FMLA Leave during the year and is otherwise off work for more than six (6) work days, s/he will not be eligible for the Attendance Incentive, except for an employee who is absent due to being on worker's Compensation, in which case the employee will receive a prorated bonus based

on the employee's days of total attendance during the school year divided by the total work days in the school calendar after deducting sixty-six (66) work days for the twelve (12) weeks of FMLA leave and six (6) more work days,

Employees shall receive from the Board the difference between the Workers' Compensation payment prescribed by law and their regular salary for the first seven (7) consecutive calendar days following the date of injury.

Beyond the seventh consecutive calendar day, employees shall receive from the Employer the difference between the Workers' Compensation payment prescribed by law and their regular weekly income to the extent and until such time as such employees shall have used up any accumulated sick leave. It is understood and agreed that an employee shall be required to report to work on any and all days when not sitting as a juror. The Employer and the Union will jointly seek solutions to such problems through the procedures and programs provided in this agreement.

### **B.    Election of Remedies**

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure such as, but not limited to, a Veteran's Preference Hearing pursuant to Act 305 of the Public Acts of 1897, et seq., or any other federal law pertaining thereto, and/or civil rights matters pursuant to Act 453 of the Public Acts of 1976, or any federal or state law pertaining thereto, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract.

If any employee elects to use the grievance procedure provided for under this contract and subsequently elects to utilize a statutory remedy, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided hereunder shall not be applicable.

### **C.    Handicap Accommodations**

The district agrees to abide by the provision of the Americans with Disabilities Act.

D. Property Damage

The Board will repair, reimburse or replace for employees the current value of clothing or personal property damaged or destroyed as a result of an accident, act of vandalism, or assault and/or battery upon them suffered in the good faith performance of their employment. Limitations upon this right include: (a) a maximum recovery of \$250.00 per incident; (b) the loss is covered by insurance; (c) reimbursement can be obtained from other sources; (d) the loss is associated with particularly valuable property, relative to the nature of the job assignment (examples: designer suits, lost diamonds, heirloom jewelry, etc.); (e) vandalism to an automobile which is associated merely with its presence on school property, as opposed to some job-related action by the employee; (f) the claim is not made within a reasonable period of the loss; and/or (g) the employee fails to cooperate with the investigation of the loss.

Disputes arising from this section shall be resolved by an ad hoc committee, comprised of the Union president/designee, the claimant, a representative from the Office of Human Resources, and a representative of the Employee Benefits office.

E. Effects of Involuntary Transfers

The District will make reasonable attempts to accommodate or offset the negative impacts of involuntary mid-year transfers. Such accommodations will be secondary, however, to the Public Safety Department's primary responsibilities.

F. Uniforms

In the event the District provides school safety officers with uniforms, the following conditions shall apply to the District and the employees.

1. Employee Responsibilities

Employees will be expected to comply with all Department regulations regarding the wearing of uniforms. 2. District Responsibilities

The district will be responsible for repairs and replacement (as appropriate) for damage or wear to uniforms which occur in the regular course of employment. The District will make reasonable arrangements for the annual cleaning of winter parkas and rain gear. The district shall

pay for the cleaning of uniforms at least bi-weekly. The district will supply one (1) pair of shoes a minimum of every two (2) years for Public Safety staff.
