Dear Lansing Senior,

It is my sincere hope that you and your family are doing well. Although COVID-19 has changed the way your Lansing School District career will come to a close, we are eager to preserve as many of your senior traditions as possible. During the coming weeks, I’ll be providing you with regular updates about the ways we can honor your achievements despite the need for social distancing.

As you may recall, the Lansing School District has partnered with Jostens to provide many of the products associated with your commencement (cap-n-gown, announcements, photo cards, class rings, and more). The company has made many suggestions to help us create unique celebrations that will generate a spirit of tradition for the Class of 2020.

You, your friends and your family will have the opportunity to offer your ideas as navigate through the remainder of the school year but more specifically a modified calendar of events for the senior class. Please do unleash the power of your imagination and share your thoughts about what might make the class of 2020 celebrations special during this unique moment in history.

In the meantime, Josten's has shared a reminder that senior orders are coming due.

If you would like to order a cap and gown or any other merchandise to honor your achievement, you need to act before April 20!

Please call 800-567-8367 or visit Jostens.com

Please note there will NOT be any mobile drive-thru distribution of senior orders until May 1 or later due to the recent extension of social distancing through April 30.

If you have a balance due, please call 800-567-8367 to make a payment. Prompt payment will help make our deliveries easier and allow for proper social distancing.

Again, the Lansing School District is working hard to properly honor your achievements and give you the send-off you deserve. Please feel free to contact my office at (517) 755-1020 or the Let’s Talk app (located on the district home page) with questions, concerns, or suggestions!

Warmly,

Delsa Chapman, Ed.D.
Deputy Superintendent
