

August 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Everett High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Mr. Dustin Gill for assistance.

The AER is available for you to review electronically by visiting the following website http://everett.lansingschools.net/pages/Everett_HS or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward School is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus School is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is inthe lowest 5% of all schools in the state. Our school has been identified as a Priority School. Student achievement levels were below the state average in mathematics, reading, science, writing and social studies. Student improvement rates in reading, science, and social studies were below the state average. It is also important to note as a success, that our students showed improvement rates in math and writing that were close to state averages as well as achievement gaps in all areas that were near state averages.

At Everett High School we are setting aside 10% of our Title I funds for professional development to train our staff in new strategies for working with our students in Reading and Math in order to increase learning. In addition, a specialized math teacher will be working specifically with our lowest achieving students. We are expanding a READ 180 classroom for targeted students who have demonstrated aneed for intensive reading instruction. We have also implemented a targeted student advocacy program to work with students who are struggling both socially and academically. This program focuses on bridging the gap between the school, the student, and their families.

State law requires that we also report the following additional information:

- Pupils are assigned to Everett High School based on where they live and school of choice applications. For more information on boundary lines or aschool of choice application, contact Pupil Accounting at 517-755-2820.
- Currently, we have 111 students (8.0%) at Everett High School enrolled in 4 different Advance Placement courses, several of these students are enrolled in more than one AP course. During the 2013-2014 school year, 21 students (19.0%) received AP scores that may qualify them to earn collegecredit.
- Our School Improvement Plan (SIP) is a working document that is reviewed and revised by our School Improvement Team (SIT) throughout each schoolyear. Parents and community members are encouraged to attend meetings and provide input to our SIP at our once a month meetings. Meeting dates appear on the school year calendar available online. Typically meetings are held the 3rd Monday of each month at 2:45. Our goals from 2013-2014 school year have been reviewed and revised to align with our goals from our priority school transformation plan.

• The core curriculum can be located by accessing the Lansing School District'swebsite at www.lansingschools.net. Click on the link for departments, then Chief Academic Officer, then curriculum documents. This route will take you to core curriculum for every grade level, K-12, in the Lansing School District.

Everett High School holds Parent-Teacher Conferences on four separate evenings every school year; two nights during the first semester and two nights during the second semester. In the 2012-13 school year, we had 545 (37.7%) parents in attendance during fall conferences. In the 2013-2014 school year, we had 517 (35.8%) parents in attendance during the fall conferences. We would like 100% attendance in the 2014-2015 school year and encourage you to make plans to attend. Dates for Parent Teacher Conferences are listed online in the school year calendar.

We would like to thank all of our staff, students, families, and community members for their hard work and dedication in helping to keep Everett as the school of choicein Lansing. We look forward to another great school.

Sincerely,

Susan Cheadle-Holt Principal
