

#### School Annual Education Report (AER) Cover Letter

August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for the Henry H. North Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Nanette Kuhlmann for assistance.

The AER is available for you to review electronically by visiting the following web site <a href="http://north.lansingschools.net/pages/North\_School">http://north.lansingschools.net/pages/North\_School</a> or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a Priority School.

As the MEAP cut scores changed, our students had difficulty achieving academic success in all content areas. Last year the school's population doubled and within our student count, the ELL population tripled. In 2012 our third graders performed much better than our 4<sup>th</sup> and 5<sup>th</sup> graders on the MEAP, and they performed better than the district in several sub sections. This year we find that our 3-5 grade students need to improve in all content areas. The focus in 3<sup>rd</sup> and 5<sup>th</sup> grades is math, reading and reading comprehension, and writing. The focus in 4<sup>th</sup> grade will be English language arts and math.

Henry H. North is one of the few schools to service a wide-array of learners. From hearing impaired (HI), otherwise health impaired (POHI), English Language Learners (ELL), and general education students, are under the environment and care of our staff. We treat each student as a totally individual learner, building successful possibilities for each. In our classrooms, students will be involved in a student centered, creative environments of highly

engaging and hands-on tasks. Students will begin to problem-solve, analysis and reason, and apply their learning to real situations. Our staff will begin to work with small groups of learners, and collect generous amounts of highly quality progress and outcome data. We welcome all learners to be the best they can be at Henry H. North Elementary School.

### H. North Elementary School- 2014-2015

State law requires that we also report additional information.

- 1. Students are assigned to H. North Elementary School based on school boundaries, specialized programs (ELL, special education), and the schools of choice option.
- 2. H. North Elementary School monitors and evaluates its School Improvement Plan on an ongoing basis. When necessary, goals and strategies are revised based upon current assessment data and the academic needs of students.
- 3. H. North Elementary School is a specialized school for the severely handicapped student, cognitive impaired, and the English Language Learner (ELL). H. North Elementary School follows the Michigan Common Core Standards of Expectations, which can be found on the Michigan Department of Education Website.
- 4. Copies of the Core Curriculum and a description of its implementation, and any variances from the State's model can be reviewed at the Lansing Public School Website: www. Lansingschools.net
- 5. MEAP student achievement in reading 3<sup>rd</sup> grade decreased from 45% to 34% proficiency. The reading 4<sup>th</sup> grade increased from 35% to 41%, and reading grade 5<sup>th</sup> increased from 36% to 43%. In math content the 3<sup>rd</sup> grade decreased from 21% to 16%, the 4<sup>th</sup> grade decreased from 22% to 13% and 5<sup>th</sup> grade increased from 9% to 21%. H. North Elementary School has now been placed on the Priority list of the 5% lowest schools in the State of Michigan.
