

Sexton High School

Annual Education Report

Monday, August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for J. W. Sexton High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Sandra Noecker for assistance.

The AER is available for you to review electronically by visiting the following web site www.lansingschools.net or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a "Priority School". We have moved out of the bottom 5%, but are still classified as a priority school until we are out for two consecutive years. We are actively working to address the school issues by implementing our School Improvement Plan and Positive Behavior Intervention Support on an ongoing basis. We are also providing credit recovery options for students in E20/20. Additionally, we will encourage more parents to become members of our Parent Teacher Student Association and School Improvement Team.

State law requires that we also report additional information.

- 1. J. W. Sexton's 3-5 Year School Improvement Plan is being implemented on an ongoing basis.
- 2. J. W. Sexton is a Math, Science, and Engineering Magnet School.
- 3. J. W. Sexton High School's core curriculum can be accessed via the Lansing School District website. Additionally, our entire instructional staff is continuously implementing our core curriculum. J.W. Sexton follow the State of Michigan's model for curriculum. The Lansing School District is in the process of creating pacing guides to enhance implementation.

- 4. J. W. Sexton High School performed at an 8% level on the Top-to-Bottom ranking for the State of Michigan.
- 5. J. W. Sexton's parent-teacher conference attendance rate for Fall of 2012-13 was 266, (29%). Participation for Fall of 2013-14 was 263, (29.2%.)

6. FOR HIGH SCHOOLS ONLY ALSO REPORT ON THE FOLLOWING:

- a. For both the 2012-13 and the 2013-14 school years, J.W. Sexton High School had 6 students respectively that were dual enrolled in a higher institution, which is less than 1% of our total pupil population.
- b. For both the 2012-13 and the 2013-14 school years, J.W. Sexton High School offered six AP/Honors college equivalent courses.
- c. For both the 2012-13 and the 2013-14 school years, J.W. Sexton High School had 150 students respectively enrolled in college equivalent courses (AP/Honors). This translated into about 19% of the total student population (AP/Honors).
- d. In 2012-13, J.W. Sexton had 10 pupils receive a score that lead to college credit and is less than 1% of the total student population. In 2013-14, J. W. Sexton had 10 pupils receive a score that lead to college credit, which is less than 1% of the total student population.
- J.W. Sexton High School recognizes that school improvement is a dynamic process. Our school improvement will focus on many elements of the school community to create positive change and a more effective school. We are committed to school improvement and the achievement of our students. Please join us in partnership!

Sincerely,

Sandra Noecker, Principal
