

### School Annual Education Report (AER) Cover Letter

August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Sheridan Road School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact the principal, Mrs. Benavides, for assistance.

The AER is available for you to review electronically by visiting the following web site <u>http://sheridan.lansingschools.net/pages/Sheridan\_Road\_School</u> or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been given one of these labels.

Data shows that all areas are improving across fourth, fifth and sixth grade, with the exception of fourth grade reading and math and 5th grade reading and science. ELL students showed growth in all grades and all subjects. Gaps are closing overall between economically disadvantaged and non-economically disadvantaged. Process data was analyzed and determined that programs to assist students on a small group and individual basis should continue. Perception data showed a strength in having a highly qualified staff that is adept at how process and assess student data. Sheridan Road earned a status of Yellow on the Michigan Accountability Scorecard, which is based on an overall average of proficiency targets.

In our school improvement plan we have outlined strategies and activities that are directed to the achievement of the whole school. These activities include direct and explicit teaching strategies, learning close and critical reading strategies, problem solving, and hands-on, inquiry based instruction to name a few. Within each goal we have outlined multi tiered interventions for students who are performing below grade level. These intervention strategies are meant to deliver differentiated instruction in a small group or on-on-one basis. We also have a full time literacy teacher on staff to work with our Title I and At-Risk Students.

It is the policy of the Lansing School District that no discriminatory practices based on gender, race, religion, color, age, national origin, disability, height, weight, or any other status covered by federal, state, or local law be allowed in providing instructional opportunities, programs, services, job placement assistance, employment or in policies governing student conduct and attendance. An person suspecting a discriminatory practice should contact the Department of Human Resources at the Lamsing School District, 51 W. Kalamazoo Street, Lamsing, McHoil 217 755-2000.

Please see our Combined Report for other information and our latest updates. For the 2012/2013 and 2013/2014 Sheridan Road's enrollment was through the district office on a neighborhood basis. Students were assigned to Sheridan Road based on school boundaries and schools of choice options (offered once a year). Students could also enroll at the school.

Sheridan Road's School Improvement Plan and goals are reviewed annually, and revised as needed for depth, clarity, and best practice. Our goals are data driven, using formative assessment data as a primary source of information guiding fundamental and incremental changes made each year. Parents are part of our School Improvement review process. If you are interested in becoming a member of our School Improvement Team, please contact the school office at 755-1630.

During the 2014/2015 school year, Sheridan Road will become a STEM Magnet School. Students will gain the 21<sup>st</sup> century skills necessary to become learners and leaders in our global economy. Engaging students in the areas of science, technology, engineering and mathematics builds a foundation for inquisitiveness, innovation and problem solving.

Sheridan Road has fully implemented the Common Core State Standards in area of Language Arts and Math and the GLCE's in the areas of Science and Social Studies. The CCSS and GLCE's are available on the Michigan Department of Education's website, <u>www.michigan.gov</u>. Curriculum documents can be accessed through the assistant superintendent link on the Lansing School District's website: www.lansingschools.net.

During the fall of 2012, 80.6% of parents attended parent teacher conferences. During the fall of 2013, 79.9% of parents attended parent teacher conferences. The number of parents in attendance for the fall of 2012 was 258 and in the fall of 2013 was 258.

Sheridan Road staff is devoted to providing an outstanding learning environment for each and every child. We appreciate the continued support of parents, staff and our community in this effort. The Sheridan Road staff looks forward to working with all of our students and their families this school year. Please do not hesitate to contact us with any questions or concerns you may have.

Sincerely,

### Jessica Benavides

Jessica Benavides, Principal of Sheridan Road School
