<tr>
<td>PASSWORD</td>
<td>Student’s initials and the month and day of their birthday. Example: John Smith</td>
</tr>
</tbody>
</table>

b. Once Logged into StudentVUE students will want to review their individual class grades by selecting Grade Book from the left hand menu as shown here.

3. Students can then review their currently calculated grade for each period of their schedule as seen here. You may want to write down your grades to use in completing the Continuity of Learning Survey.

   a. Change Marking Periods by clicking on the line that says Marking Period 1, then select Marking Period 3 from the drop down menu as shown here.
4. After reviewing your grades for every period in your schedule, navigate to the “Messages” section of StudentVUE to complete the Continuity of Learning Survey.

5. The Continuity of Learning Survey will ask you to select an option for each class period.

After selecting one option for each period, the survey will be finished.

6. Submit your responses by clicking the finish button at the bottom of the page.
