HOW CAN I GET INTERNET ACCESS FOR DISTANCE LEARNING?

Below are some options to obtain internet access in the Lansing area at free or discounted rates*

1. **Comcast** ► Comcast opened up their public Wi-Fi to all through June. Network is “X-finity Wi-Fi”  

2. **Comcast** ► Internet “Essentials” plan: 2 months free service, discounted rates after 2 months  
   See: [http://internetessentials.com](http://internetessentials.com)

3. **AT&T** ► Free & discounted Wi-Fi: 2 months free service, discounted rates after 2 months  
   See: [https://www.att.com/shop/internet/access/#1/](https://www.att.com/shop/internet/access/#1/)

4. **MetroNet** ► Student & Teacher special: 2 months free service  
   See: [https://www.metronetinc.com/studentspecial/](https://www.metronetinc.com/studentspecial/)

5. **T-Mobile** ► If you already have a hot spot with T-mobile, you can add 20GB of data for free.  

6. **Lifeline** ► Lifeline is a federal program that lowers the monthly cost of phone and internet. Eligible customers will get up to $9.25 toward their bill. You can only use Lifeline for either phone or internet, but not both.  
   See: [https://www.lifelinesupport.org/](https://www.lifelinesupport.org/)

7. **Smart phones** ► If you have a smart-phone data plan, check with your service provider about possible discounted hot spot availability.

* Discounts and special plans vary in their duration and cost. See specific service provider for details.
