## Michigan's Six Phase Safe Start Plan for Schools

# Lansing School District Reimagined

Phase 1 Uncontrolled Growth

Phase 2 Persistent Spread

Phase 3 Flattening

Phase 4 **Improving**  Phase 5 Containing

Phase 6 Post Pandemic

What is school going

to be like this year?

#### 100% Screen-to-Screen Instruction

- Students will access instruction remotely 5 days a week.
- Students will follow a balanced synchronous (live instructor) and asynchronous (independent/self-paced) grade span specific daily schedule.
- Devices will be provided to students as needed.
- Internet access support will be made available to students as needed.

### **Limited In-Person Instruction** (Required Safety Protocols)\*

- Student return will be phased in per equity and/or time-based cohorts.
- Students will participate in a hybrid/blended learning model.
- Except during meals, masks must be worn by:
  - Staff throughout the day,
  - PreK 5<sup>th</sup> grade students in halls and common areas,
  - and 6 12<sup>th</sup> grade students throughout the day.

- One way traffic in hallways and common areas.
- Transportation will be provided PreK-12<sup>th</sup> grade. Masks must be worn on the bus.
- All safety protocols required under the MI Safe Start Plan will be executed.
- Athletic contests will occur in compliance with MHSAA provided guidance.
- Devices will remain with students.

#### In-Person Instruction (Recommended Safety Protocols)\*

- Students may attend school 5 days per week.
- Masks recommended, not required.
- Cleaning and disinfecting will be conducted frequently.
- Frequent hand washing will be encouraged.

• The district will continue to prepare in the event the region returns to a phase that requires more restrictive practices including a full return to remote instruction.

#### In-Person Instruction (Traditional)\*

- Learning will continue as it did prior to COVID 19.
- Hand sanitizing stations will be available throughout all schools and district buildings.

The Lansing School District timeline will be informed by the CDC, state and local health officials, and community stakeholders. Extracurriculars including athletics, marching band, and others may be adjusted by phase and the risk level of our region.
