I'm providing the details on how you can use the online magazine, "ACTION". There is an information letter about the magazine for parents and students. It reminds you how to access the magazine. DON'T FORGET the PASSWORD. It's takeaction19-20. You can read from any of the issues that are on the web site so you have plenty to choose from! There are two articles in the February issue that I suggest you read, "Malala the Powerful" and "Fighting for Every Point and Every Breath". If you use the At-Home Reading Log to keep track of your reading, that work will count towards your home work requirement when we return! Challenge yourself to see how much you can increase your Lexile by the time we come back to school! You know that any and all reading will help with that, including reading to your younger brothers and sisters!

If you have any questions, ask me right here in Synergy or email me at vicki.edwards@lansingschools.net. I hope this information gets through to you OK. I also hope that you and your family stay healthy and safe!

Sincerely,
Ms. Edwards
