

Need Transportation To and
From Your Child's Medical
Appointments?

The Davies Project Can Help!

*Struggling to keep your child's
medical appointments because you
don't have a ride?*

The Davies Project is here to help! We offer families with seriously ill children **free rides** by providing transportation to and from your child's medical appointments.

Talk to your doctor about a referral, or contact us at (517) 899-2425 so we can learn more about your transportation needs.
