

August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for the Attwood School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Sharon Pease, Principal, at 755-1210 for assistance.

The AER is available for you to review electronically by visiting the following web site [http://attwood.lansingschools.net/pages/Attwood\\_School](http://attwood.lansingschools.net/pages/Attwood_School) and then click the link from the main page for the Annual Education Report or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been given one of these labels.

For 2014-15, Attwood School will work to improve MEAP scores in both English Language Arts and Mathematics by 6.08%. We will focus on increasing our proficiency scores in Math by using data based decision making to differentiate our instruction. Increasing our Inquiry Based Instruction, Vocabulary Words, using small groups, developing Professional Learning Communities, coaching teachers with both our Math Specialist and outside facilitator are all initiatives being implemented to increase our student achievement. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information.

1. Students that attend Attwood School are students in our attendance areas as designated by the Lansing School District. Families may also choose Attwood School as their child's home school by simply following the "Schools of Choice" process managed through the Lansing School Pupil Accounting Office.

2. Attwood School continues to address four primary goals in its School Improvement Plan. These goals include increasing student proficiency in reading, writing, math, and creating a positive culture and climate in the school. Attwood School continues to make progress in meeting each of its goals, and is proud of its green status in Reading, Writing, Math and Science with an overall yellow score earned through the State of Michigan's ED Yes Accreditation Program.
3. Attwood School has not received a "specialized school" designation (i.e.: Magnet School) by the Lansing School District.
4. A copy of the core curriculum can be accessed through the Lansing School District's Assistant Superintendent's web page at [www.lansingschools.net](http://www.lansingschools.net) or the Attwood School web page at [www.edline.net/pages/Attwood\\_school](http://www.edline.net/pages/Attwood_school). The core curriculum is implemented with fidelity by the teaching staff at Attwood School through the use of best practices for teaching and learning.
5. Attwood School's fourth, fifth, and sixth graders continue to take the Michigan Education Assessment Program (MEAP) tests on an annual basis. The aggregate results of these competency tests are contained within the school's Annual Report.
6. Attwood School continues to strive for 100% parent participation during its fall and spring Parent/Teacher conference sessions. During the 2012-13 school year, 234 (89%) of parents attended our fall parent-teacher conferences. In 2013-14 274 (85.4%) attended or fall parent-teacher conferences.

Attwood School continues to strive for excellence in every facet of its educational programming. Through the continued efforts of its teaching staff, support staff, parents and community members, its students will live out its mission of "excellence for all students."

Sincerely,

Sharon Pease

Principal  
Attwood School
