

Sheridan Road
School Annual Education Report (AER) Cover Letter

February 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Sheridan Road. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dom LaColla for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3Yj4hjW> or you may review a copy in the main office at your child's school. For the 2023-2024 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA).

A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2022-23. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2022-23. Some schools are not identified with any of these labels. In these cases, no label is given. Our school was identified as an Additional Targeted Support school.

State law requires that we also report additional information:

Sheridan Road's enrollment is through the district office schools of choice options (offered once a year). Students could also enroll online at <http://www.lansingschools.net/academicchoices/enrollment/>.

Sheridan Road's School Improvement Plan and goals are reviewed annually, and revised as needed for depth, clarity, and best practice. Our goals are data driven, using formative assessment data as a primary source of information guiding fundamental and incremental changes made each year. Parents are part of our School Improvement review process. If you are interested in becoming a member of our School Improvement Team, please contact the school office at 755-1630.

Sheridan Road is a STEM Magnet School. Students gain the 21st century skills necessary to become learners and leaders in our global economy.
