

February 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Willow Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dr. Nicole Beard for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3Yj4hjW> or you may review a copy in the main office at your child's school.

For the 2023-2024 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2022-23. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2022-23. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Test results indicate that many students struggle to reach benchmark goals in the areas of Reading and Math. Willow continues to implement strategies and activities to include small group instruction for Reading and Math, increased instructional time in the core academic areas, tiered systems of support for academics and behavior, use of supplemental services, and access to technology for all students.

State law requires that we also report additional information:

Students are assigned to Willow Elementary School by the following: 1) Schools of choice, 2) School boundaries, or 3) The specialized needs of students.

2. THE STATUS OF THE 3-5 SCHOOL IMPROVEMENT PLAN: Willow's School Improvement Plan was approved by the staff, Michigan Department of Education and submitted via MICIP.
