

February 20, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2024-25 educational progress for the Lansing School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Office of Curriculum and Instruction for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting [the Lansing School District's Annual Report webpage](#) and contains the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2024-25 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Attwood	CSI	Frequent Data Collection and Analysis: Regular formative assessments, student surveys, and performance data would be collected to gain insights into each student's progress and areas for improvement. This would allow teachers and administrators to adjust their instruction methods and set targeted goals.
Averill	CSI	Frequent Data Collection and Analysis: Regular formative assessments, student surveys, and performance data would be collected to gain insights into each student's progress and areas for improvement. This would allow teachers and administrators to adjust their instruction methods and set targeted goals.
Beekman	Not Identified	N/A
Capital Area K-12 Online	CSI	Frequent Data Collection and Analysis: Regular formative assessments, student surveys, and performance data would be collected to gain insights into each student's progress and areas for improvement. Sexton	CSI	Frequent Data Collection and Analysis: Regular formative assessments, student surveys, and performance data would be collected to gain insights into each student's progress and areas for improvement. This would allow teachers and administrators to adjust their instruction methods and set targeted goals.
Sheridan Road	ATS	Early Identification and Intervention: Use early warning systems and data analytics to identify students at risk of falling behind, whether due to academic struggles, attendance issues, or behavioral challenges Implement targeted interventions such as tutoring, mentoring programs, and attendance monitoring to provide extra support to these students.

Wexford	Not Identified	Frequent Data Collection and Analysis: Regular formative assessments, student surveys, and performance data would be collected to gain insights into each student's progress and areas for improvement. This would allow teachers and administrators to adjust their instruction methods and set targeted goals.
Willow	Not Identified	N/A

All of the schools in the Lansing School District continue to work towards increasing student achievement. We are especially proud of the students and staff that have reached academic goals successfully. In all of our schools we have implemented research-based or research-informed initiatives that aim to improve instruction and school climate. In partnership with our teachers, support staff, administrators, and school community the Lansing School District is committed to Caring, Collaboration, and Excellence.

Sincerely,
The Lansing School District
