

## School Annual Education Report (AER) Cover Letter

Lyons Elementary

August 16, 2012

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for the Lyons Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Tony Forsthoefel, Principal, at 755-1480 for assistance.

The AER is available for you to review electronically by visiting the following web site: [www.lansingschools.net](http://www.lansingschools.net) and then click the link from the main page for the Annual Education Report or you may review a copy from the Principal's office at your child's school.

### **School made AYP for 2 or more years consecutively**

For 2011-2012, Lyons Elementary School made Adequate Yearly Progress (AYP) in English Language Arts and Mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information:

1. Students that attend Lyons Elementary School are students in our attendance area as designated by the Lansing School District. Families may also choose Lyons Elementary School as their child's home school by simply following the "Schools of Choice" process managed through the Lansing School District Pupil Accounting Office.
2. Lyons Elementary School continues to address four primary goals in its School Improvement Plan. These goals include increasing student proficiency in reading, writing, science, and math. School improvement at Lyons is an ongoing and dynamic process involving staff development and teachers using best practices in all subject areas. Lyons Elementary School continues to

make progress in meeting each of its goals, and is proud of its "C" letter grade earned through the State of Michigan's ED Yes Accreditation Program.

3. A copy of the core curriculum, in addition to the Common Core State Standards can be accessed through the Lansing School District web page at [www.lansingschools.net](http://www.lansingschools.net) or the Lyons Elementary School web page at [www.edline.net/pages/Lyons\\_school](http://www.edline.net/pages/Lyons_school). The core curriculum and content standards are implemented with fidelity by the teaching staff at Lyons Elementary School through the use of best practices for teaching and learning.
4. The Lansing School District does not administer any local competency tests or nationally normed achievement tests.
5. Lyons Elementary School continues to strive for 100% parent participation during its fall and spring Parent/Teacher conference sessions. The actual participation percentages are contained within the school's Annual Report.

Lyons Elementary School continues to strive for excellence in every facet of its educational programming. Through the continued efforts of its teaching staff, support staff, parents, and community members, its students will live out its mission of "excellence for all students."

Sincerely,

Tony Forsthoefel  
Principal  
Lyons Elementary School
