Cosmetology *(coming Fall 2027)*	TBD	.5 4th Year	.5 4th Year	.5 3rd Year	.5	No	.5	.5	.5

CTE at the Hill Center

2026-2027

State-approved Career and Technical Education (CTE) programs provide students with the opportunity to earn high school academic credit upon successful program completion. For purposes of meeting the requirements of the Michigan Merit Curriculum (MMC) and earning embedded graduation credits, a student who successfully completes the program and meets the Local Education Agency's (LEA) established criteria for passing is considered to have satisfied the intent of the law. This successful completion may be used to award the applicable embedded MMC credit(s) toward graduation requirements.

Additional Information for Counselors & Principals:

- All CTE programs at the Hill Center follow the district's academic calendar.
  - Morning sessions run from 8:00 AM to 10:45 AM
  - Afternoon sessions run from 11:45 AM to 2:30 PM

  Note: *The PCT, EMT, and Fire Academy programs include additional requirements, including 2–3 Saturday sessions per year and a mandatory weekend skills camp.*

- Credit allocation (beyond electives) will be determined on a case-by-case basis, in collaboration with each student's counselor, to ensure alignment with MMC high school graduation requirements.

- Students may receive 1.5 articulated credits per semester, totaling 3.0 credits for the full academic year.

  Note: *Students enrolled in **PCT or EMT** must pass the **first semester** to continue into the second semester, as clinical placements cannot be offered to students who are not in good academic standing.*

- Dean Transportation provides daily shuttle service to and from the Hill Center from Everett, Sexton, and Eastern High Schools.

If you have any questions or need more information please contact
Teri Bernero, Director of CTE, at 755.4181 or t.bernero@lansingschools.net
