

Essential Components of 3rd Grade Structured Literacy

Plus one....

+ Embedded Language and Writing

3rd Grade Instructional Minutes - ELA

Amplify CKLA Units

Each unit is comprised of:

- Lessons, including Reading, Writing, Grammar, Morphology, and Spelling activities.
- A Unit Assessment that evaluates students' reading comprehension, understanding and retention of academic and domain-specific vocabulary words, as well as the grammar and morphology skills targeted in the unit. A writing prompt is included, as is an optional fluency evaluation. The core content targeted in the domain is assessed in a separate Content Assessment. The results should guide review and enrichment offered during the end of unit Pausing Point.
- Pausing Points present opportunities to review, reinforce, or extend the content and skills taught.

Each of these components is built into the pacing guide.
