Introduction to Your World History & Geography Pacing Guide

Pacing Guides create a realistic time frame for instruction and assessment. They establish paced, student learning expectations and provide a starting point for the implementation of the Grade Level Content Expectations. *The following tips may be helpful as you begin using the Pacing Guide:*

- Introduce 9-week content skills according to the Pacing Guide.
- These expectations will be threaded throughout World History & Geography units.
- Once a skill is mastered, continue to practice it.
- Continue to reinforce skills and concepts throughout the year until mastery is achieved.
- Skills can be introduced earlier than listed, but no later, and can be assessed at any point after introduction.
- Compare your current pace to the Pacing Guide and adjust as needed.
- Become familiar with sequencing at previous and subsequent grade levels.
