PURPOSE

To outline the transportation services provided to students within the Lansing School District and the conditions under which bus routes are assigned.

POLICY STATEMENT

The Lansing School District is committed to providing safe and reliable bus transportation for students attending their neighborhood schools. This policy is subject to change at the discretion of the Lansing School District.

TRANSPORTATION GUIDELINES

1) Bus Transportation:

- a) Students may be assigned bus transportation to and from their assigned neighborhood school.
- b) If a student chooses to attend a school outside of their designated neighborhood school, bus transportation may not be available unless one of the following conditions is met:
 - The student has a sibling who is currently being routed to that school.
 - The neighborhood school is at capacity and cannot accommodate the student.
 - The student received the same bus route in the previous school year.

2) Special Provision:

- a) All students residing within the Lansing School District boundary may qualify to receive transportation to & from the home address for the following schools

regardless of their assigned neighborhood school within the district: **Lewton, Post Oak, and Wexford**. Walk zone restrictions still apply.

3) Lansing School District Boundaries:

- a) Families are advised that not all addresses within the city are located in the Lansing School District boundary.
- b) Families can confirm whether they are in or out of the Lansing School District by visiting the following website: <https://www.oaisd.org/about-us/local-schools/resident-district-lookup/>

4) Walk Zone

- a) Any student who resides within 1 – 1.5 miles of their designated school is considered to be within the walk zone depending on their school's location and tailored walk zone boundary map.
- b) Students residing within the walk zone are ineligible for transportation services provided by the school district.
- c) To check if you are within the walk zone please go to:
