

Dear Homebound Parent and Student,

Welcome to the Lansing School District Homebound Program. I would like to personally make sure you know you can reach out to me, Linda Mondol, Homebound Teacher, with questions or requests for resources. I will do my best to help facilitate the communication and delivery of instruction between the classroom teacher and homebound student. Following is information about homebound teacher, parent and student responsibilities.

Homebound Teacher Responsibility

- Identify any physical limitations or learning impairments that will affect the pupil’s ability to study, including those imposed by the treatment program.
- Identify ways to maximize the instructional experience.
- Maintain contact with the pupil’s classroom teacher to receive direction on instructional services provided.
- Deliver coursework to and from the pupil’s classroom teacher.

Parent Responsibility

- Provide access to the pupil’s home and help schedule teacher visits so they do not conflict with medical treatments.
- Provide an appropriate environment and the necessary supervision for their child to complete assignments.
- Help the child schedule time for study, and ensure that appropriate instructional materials are available.
- Support the child with learning activities to the extent possible as agreed upon with the teacher.

While you should encourage your child to keep up with school work, you should not do the work for them. If you feel the assignments are too difficult or that your child does not have the prerequisite skills needed to carry out the assignments, you should discuss this with the homebound teacher or the classroom teacher.

Student Responsibility

- Ask for assistance and/or clarification as needed to complete assignments.
- Attend to class activities to the extent that they are physically capable.
- Return materials and supplies after completing assignments.
- Continue to work with the teacher(s) of record to do any extra work needed so that the pupil has minimum competencies needed to complete the subject or grade, after returning to school.

Please feel free to contact me via email or phone with questions!

Sincerely,

Linda Mondol
