

Dear Parent/Guardian:

For the protection of children at school, the Lansing School District has the following guidelines when students are ill. Please **DO NOT** send your child to school if he/she has any of the following symptoms:

- Fever 100 degrees or more
- Vomiting or diarrhea the night before or the day of school
- Earaches that continue and have not been treated by a health care provider
- Coughs that are consistent and keep the child from participating in school activities
- Any open, draining wound or sore that has not been treated by a health care provider
- Rash with an unknown cause

To return to school

- NO FEVER for 24 hours without the use of fever reducing medication such as Tylenol (acetaminophen) or Motrin (Ibuprofen).
- NO vomiting or diarrhea for 24 hours
- Open wound or sore is appropriately covered
- Rash has healed or note from health care provider stating child may return to school

If you have any questions or concerns, please call your child's school or the school nurse center at 517 755 4964.

Thank you
