Unit of Inquiry-
Who We Are
Nov - Dec

Central Idea: Growth inspires change within our world

Key Concept: Change, Form, Causation

Lines of Inquiry:

Ways you see growth (form)
Ways changes happens over time (change)
Actions and their contributions to growth (causation)

English

This week we focused on changes as we grow. We made a project on how we look now and how we looked as a baby. Children noticed changes in the classroom and we talked about how trying and practicing help us to grow. We started learning words whether they rhyme or not. At home, you can play a rhyming words game with your child(ren) to help them develop phonic skills.

Chinese

We reviewed body parts and fruits this week. As the holiday gets close, we are reviewing all the vocabulary words we learned this year. We have a few students who remember Chinese words so well! Nice work! Chinese new year song and Tingalayo are uploaded in google classroom so children can practice the songs for the global festival.
