Unit of Inquiry-
Who We Are

Nov - Dec

Central Idea: Growth inspires change within our world

Key Concept: Change, Form, Causation

Lines of Inquiry:

Ways you see growth (form)
Ways changes happens over time (change)
Actions and their contributions to growth (causation)

English

We started making individual alphabet books to learn both upper and lowercase letters. It will help so much if you practice and play literacy games with your child at home. We will be sending out individual field trip photos to you. It was a great time riding the bus to the equine center and walking and brushing the mini horses and donkeys.

Chinese

We are learning about animals on the Chinese side. Videos are uploaded to google classroom, under Chinese Learning - animal vocab. Some friends forget counting numbers in Chinese. So please review the videos at home.
