

WELCOME SUMMER EXPLORERS!

KEEP DREAMING... ALL SUMMER LONG!

We are excited to again be able to offer **FREE** summer learning opportunities for our K-12 Lansing School District students! There are project based learning activities for our K-3 and 4-6 grade students with a focus on math, literacy, and pathway experiences. 7-8 grade students will have opportunities to develop interpersonal skills and explore pathway opportunities. 9-12 grade students will be able to earn credits for recovery or enrichment through our APEX program. Paid internships, college tours, and MSU programming are also available!

Come join us for a summer filled with rich learning experiences and pathway exploration...
